Disclaimer

The Office of the Police and Crime Commissioner (OPCC) for Staffordshire has endeavoured to ensure that all safeguarding, health and safety and associated concerns are addressed through the Service Level Agreement put in place with Service Commissioners for activities funded by this office. A copy of this agreement is available for inspection via PCC website, www.staffordshire-pcc.gov.uk/space or by emailing 'space@staffordshire.pcc.gov.uk'

For non-OPCC funded activities where Service Providers affiliate their activities to the Space brand through publicity arrangements only, Service Providers are therefore expected to have in place their own policies and practices and to operate activities based on their own terms and conditions. The OPCC is making no enquiries directly about this expectation.

The 'Details' box featured on each activity clearly defines those activities that are OPCC funded and those that are non OPCC funded.

The OPCC makes aware to Parents / Guardians of young people participating in funded Space activities that photographic images may be taken to promote the Space programme. Should a Parent / Guardian choose for their child / children not to be featured, the Service Provider will be responsible for ensuring compliance with such a request.

Service Commissioners / Providers are requested to advise the OPCC of activities which operate with limited place availability and when all such places are filled, which will be identified from the Space website. Service Commissioners / Providers are also requested to provide details to the OPCC of activities which are cancelled, detail of which will be published, where provided, on the Police and Crime Commissioner's website. However the OPCC cannot be held responsible for the non-provision or non-timely provision of this information by Service Commissioners / Providers.

The PCC and his office cannot be held responsible for any liabilities as a result of participation in the Space programme and / or activities undertaken.
