A VOLATILE HISTORY OF CHEMISTRY

**An explosive journey through
the history of Chemistry
Suitable for all teenagers!**

**WEDNESDAY 24th JULY
2PM-4PM @ The Gatehouse Theatre
Book your free place at
www.staffordgatehousetheatre.co.uk**

A VOLATILE HISTORY OF CHEMISTRY

WHAT IS IT?

Volatile history of chemistry is an interactive time traveling adventure through the history of chemistry. Starting with Marie and Pierre Curie and ending with the notable Robert Boyle using audience participation and fantastic demonstrations of our performers will take the audience on an explosive journey to learn about some of the most important laws of chemistry and the people that invented them.

WHO IS IT FOR?

This interactive workshop is for any teenager who has an interest in science and wants to find out more about chemicals in a fun and non formal environment.

LOCATION

The interactive workshop will be taking place at the Gatehouse Theatre in the center of Stafford

WHAT NEXT?

Book your place asap via the Gatehouse Theatre website at **www.staffordgatehousetheatre.co.uk**
